

Alice's Adventures in Wonderland

Sponsorship Opportunity

Audiences of all ages will fall down the rabbit hole into the fantasy world first imagined by Lewis Carroll on June 3 and 4 at Jesse Auditorium. Karen Mareck Grundy's original choreography and Tom Andes' musical score bring Carroll's classic hurtling into the 21st century with sensational costumes, innovative choreography, and more than its fair share of outlandish characters!

Youth from across mid-Missouri were invited to audition for Alice. Those selected dance alongside Mareck Dance professional company members in a show attended by many families with children.

Mareck Dance is seeking a named performance sponsor.

Underwriting of a performance supports critical operational expenses including company dancer salaries, venue rental, music, lighting and costumes.

Benefits of this premier sponsorship include:

- Your business as the named sponsor of Alice's Adventures in Wonderland
- Company name/logo included in Alice show promotion
- Full page ad in all Mareck Dance performance and special event programming
- Six (6) tickets to each Mareck Dance performance over the next year
- One (1) Third Tier table for eight at 'Dancing with Missouri Stars', the most celebrated fundraiser in our region
- Association with University Concert Series resident dance company, Mareck Dance

With a gift of \$6,000 (\$3,832 allowable tax deduction).

Can be paid in quarterly installments of \$1,500.

We'll work with you around any donation amount that aligns with your business. Other sponsorship opportunities exist. Please let us know if you'd like to learn more about principal character underwriting.
